

Measuring

- * Is fun
- * Tell me about myself
- * Tell me about things around me.

Made by Philip
Sunbirds

Measure for Health

Measure your medicine carefully.

Measure your temperature to see if you are sick

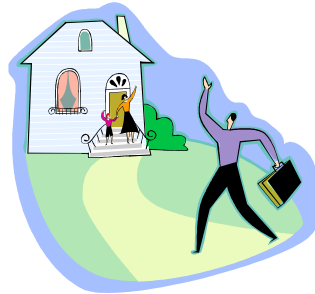

A Safe distance

Estimate how far cars are when you want to cross the road.

The short way home is not always the best.

Measure to grow.

Make sure you sleep for eight hours.

Healthy food will make you grow tall.
